

This year-long programme will offer the opportunity not only to connect with other new graduates during our live CPD days but to have access to top-quality, continued development via specialist-led clinical content as well as weekly access to group coaching sessions.

Benefits of the programme

12months' access to Vet Empowered Signature Programme

(52 group coaching sessions, 52 reflection sessions, 10hours of personal development)

12 x New Graduate & Veterinary Specific Personal Development Topics - exclusive to this collaboration

Full vtx annual membership + clinical forum access

Access to vtx Primary Care - 'Finding your way through small animal clinical practice' course

vtx advice credits to help support you with those trickier cases in practice

Two LIVE CPD days (July 2023 & January 2024) - Manchester, UK

We have specially curated a combination of clinical and non-clinical topics, specific to new graduates to provide learning in relevant subject areas, as well as to stay connected with what's truly important to individuals.
